

What a Horrible Dream!

"I dreamed that the Lord took my weekly contribution to the church, multiplied it by ten, and turned this amount into my weekly income. In no time I lost all my furniture, and had to give up my two cars. Why, I couldn't even make a house payment. What can a person do on \$50.00 a week?"

How much would we earn if the Lord took our weekly contribution to the church and multiplied it by ten?

Jesus asks us to give in proportion to what we have received...to give a percentage of our income. Many people use the tithe as their guideline, many give more. Giving proportionately is giving off the top. Then there is always enough left for our other needs. We are given this promise.

Give to others and God will give to you. Indeed you will receive a full measure. A generous helping, poured into your hands – all that you can hold. Luke 6:38
